

## Note to Authors

The MTE-ISIS Conference enables to exchange knowledge, experiences and opinions that concern safety of navigation, marine traffic engineering and related fields to the scientists and professionals.

### Paper submission

Authors are invited to submit abstract of paper, directly by conference www site or conference email.

### Conference proceedings

All accepted papers will be reviewed by members of Scientific Committee. Papers will be published in MUS Scientific Journals and European Journal of Navigation.

### Conference language

The official conference language is English. Translations are not provided.

### Conference fee

Conference fee including: full board accommodation in 4stars luxury hotel and

## Kołobrzeg

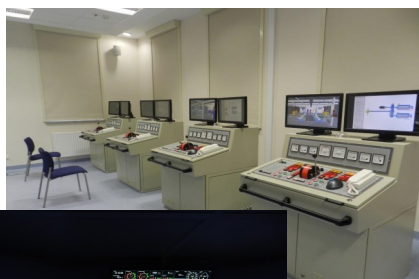

## Conference Venue

The Conference will take place in **Kołobrzeg** situated along the south shore of the Baltic Sea. The town serves as a commercial and fishing port as well as a tourist destination. Kołobrzeg is the biggest and most beautiful Polish spa town of unique microclimate and rich history. The main spa function of this tourist city is conditioned by the perfect location at the mouth of the river Parsęta in the vicinity of forests, peat deposits, marsh-water ecosystem that provides shelter to many rare species of animals and plants. The town and its surroundings are a source of mineral water, brine and mud deposits.

Conference sessions will take place in 4-star luxury **Baltic Plaza Hotel** ([www.balticplaza.eu](http://www.balticplaza.eu)) located near beautiful polish sandy beach and in the MUS Baltic Fisheries Training Center.

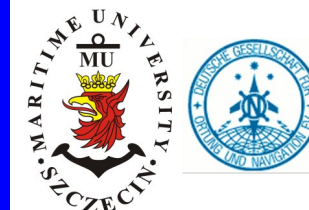

Except the high performed sessions the organizers will provide many entertainments in the good company of scientists.

## MTE/ISIS CONFERENCE 2015

### 1st Announcement

MARINE TRAFFIC  
ENGINEERING  
CONFERENCE  
and  
INTERNATIONAL  
SYMPOSIUM  
INFORMATION ON SHIPS  
MTE - ISIS

14-16.10.2015

Kołobrzeg, Poland

The conference under the auspices of the  
Rector of the Maritime University of Szczecin  
**Prof. Stanisław Gucma**

## Introduction

We would like to inform you, that 16th Marine Traffic Engineering Conference will be organised jointly with International Symposium Information on Ships as MTE-ISIS and will be held in: **Kołobrzeg from 14th to 16th of October 2015.**

The Conference is organized jointly by **Maritime University of Szczecin** and **German Institute of Navigation** (DGON). The Conference is the first step towards broader cooperation between MUS and DGON. In the future it is planned to organise such an event in Germany and Poland alternatively.

We cordially invite to MTE-ISIS every scientists, researchers and practitioners.

We look forward to see you in Kołobrzeg.

## Preliminary Conference Programme

**13.10.2015** (Tuesday evening)

Arrival to Kołobrzeg

**14.10.2015** (Wednesday)

Opening conference & Plenary session

70-years Jubilee Session of

prof. Stanisław Gućma (Rector of MUS)

Thematic sessions

Gala dinner

**15.10.2015** (Thursday)

Visit to Baltic Fishery Centre

Thematic sessions

**16.10.2015** (Friday)

Thematic sessions

Closing of MTE-ISIS`15

## Conference Topics

- safety and reliability of transportation systems
- safety management systems in transportation
- risk assessment in transportation systems
- safety of navigation and shipping
- marine navigation
- pilot navigation
- ice navigation
- marine traffic engineering
- marine meteorology and weather routing
- satellite based navigation systems
- positioning systems
- marine cartography, hydrography and geodesy
- geomatics and GIS applications
- telematics in transportation
- VTS and related issues
- SAR and related issues
- marine simulation
- manoeuvrability and hydrodynamics of ships
- maritime education and training
- human factors in maritime applications
- bridge resource management
- sensors and components
- e-navigation
- operational integration aboard and ashore
- visions and strategies in the next

## Scientific Committee

TBA in 2nd announcement  
Chair: Lucjan Gućma  
Vice Chair: Hermann Rohling

## Organizing Committee

Head of Technical Chair:  
Kinga Łazuga, M.Sc.Eng.

Members:

Marta Kaspróicz, M.Sc.

Małgorzata Jankowska, M.Sc.

## Conference Deadlines

**15.05.2015** - Abstract submission via the web page: [www.mte.am.szczecin.pl](http://www.mte.am.szczecin.pl)

**31.08.2015** - Full paper submission

**15.09.2015** - Registration and payment for conference

## Important Information

During the conference sightseeing trip to one of the oldest Polish lighthouses (26m height), Kołobrzeg Port and Baltic Fisheries Training Center owned by Maritime University of Szczecin will be organised.

## Conference Office

Institute of Marine Traffic Engineering  
**Maritime University of  
Szczecin**
